

Preschool @ The Lamb offers faith based, early education to [children](#) ages 2-5. We are located in the Lamb of God Church and are very passionate about our important role in helping children grow and learn!

The basis for our educational approach is the unlimited potential of young learners and their capacity for knowledge. We don't set limits on what children know or are "ready for" and believe that rich content is the foundation for learning. We believe in curiosity and nurture it as the spark that drives our curriculum. Preschool @ The Lamb curriculum integrates three core approaches, or what we call the Three E's: Education, Enrichment and Exploration.
