Center for Disease Control-www.cdc.gov

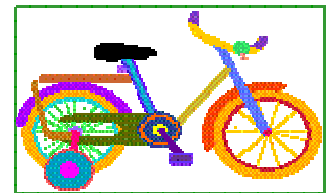

If you have any ideas of trainings you would like to attend, please send an email to the following address:

Danna_Breeden@doh.state.fl.us

Bike Safety

- Always wear a bike helmet
- Make certain the bike is well-maintained
- Make sure the bike is the proper size
- Kids should wear bright colors
- Drill your child about safety rules
- Be sure children ride with traffic
- Prohibit riding double
- Have a plan on what to do in an emergency
