

Back to School Shots

Do Your Homework: Take Action Now

- Beat the crowd
- Check your child's shot record now
- Ask your provider to update your child's shots
- Get the "Blue Form" from your physician for school now

Children going to school need to complete the following immunization series:

- Diphtheria, tetanus, and pertussis vaccine
- Measles, mumps, and rubella
- Polio
- Hepatitis B
- Varicella vaccine (chickenpox)
